MILCKEN
MILCKEN
MILCKEN

Several dark, circular samples, possibly soil or charcoal, are arranged on a white surface. Some of the samples are dripping with a dark liquid, which is spreading across the surface.

A large metal bucket is positioned on the right side of the image. It appears to be empty or contains a clear liquid. A funnel is placed on the floor next to it.

A large, dark, rectangular block, possibly a piece of charcoal or a brick, is positioned on the left side of the image.

A smaller, dark, rectangular block, similar to the one on the left, is positioned in the middle ground.

A small, light-colored cup or container is placed on the floor near the blocks.

Another small, light-colored cup or container is placed on the floor in the background.

Several sheets of paper are scattered on the floor, some with text and diagrams. One sheet has a circular logo with the word 'MILCKEN' inside it.
